Dear Madam:

In reading the Report of the Library of Congress, I noted a gift of medals made to thet Institution by yourself. If you are interested in medals, you may care to consider an invitation to become an Associate Member of the American Numismatic Society. I am enclosing a folder which briefly describes our aims, together with an application card which I should be very glad to present at the next meeting of our Council should you decide to affiliate yourself with our Society.

Very truly yours,

Secretary
